

2016 Lazers Team Handbook

6/22/2016

Mission Statement:

“The mission of the Lenexa Lazers Swim & Dive Team is to provide an opportunity for children to build confidence, spirit and skill in a team environment.”

Welcome to the Lenexa Lasers!

Welcome back all Lasers & their families and a big HELLO to all new families! Please read through the following information carefully: it contains nearly every bit of information you might need to make it through this swim and dive season.

The Lenexa Lasers Swim and Dive Team is a fee-supported organization. The organization is guided and directed by a volunteer advisory board; volunteers are needed to run and sustain this team and the Lasers program. The Lazer Advisory Board is comprised of parent volunteers, coaches, a swimmer representative, a dive representative and City staff. In the interest of safety, lifeguards have been hired for all practices and meets. The coaches and lifeguards are the only paid employees of our team.

The City of Lenexa also plays a big part in making our Lasers experience worthwhile. The city provides much needed clerical support, as well as the resources required to maintain the pool facilities. City staffers also provide experience to help our volunteers safely run a fun, recreational program for many children. The Lasers thank the City of Lenexa for all of their help.

Coaching Staff

Swim Coaches:

Ben Westberg (Head Swim Coach)

bwestberg@coolswimteam.com

Ben grew up swimming in the Quincy, IL area where he swam on the Quincy YMCA Flyers and swam and dove for the Quincy Senior High Blue Devils.

He started his coaching career in Hannibal, MO where he was primarily responsible for coaching the 8 and under squad. He had 8 and under swimmers participate in the Area Championships in the 10 and under age group. He then coached and was Aquatics director for the Mexico Area Family YMCA where he had many Area Championship qualifiers. He then coached in Columbia, MO as the Head Coach for MMAC swim team for 12 years. Through that time in Columbia, Ben coached many Division 1 and Sectional qualifiers. He then moved to the Kansas City Area with Swim Academy/Blue Wave and has been coaching at Blue Wave the past 4 years. He has been coaching with COOL swim team since September 2015.

Ben has helped numerous swimmers achieve AAA, AAAA, and Sectional cuts. He has been named Missouri Valley Age Group Coach of the year twice in 2002 and 2012 as voted on by his coaching peers. He is an ASCA level 2 coach with hopes of moving up to level 3 and 4 within the next 5 years.

Laura Colon (Assistant Competitive Swim Coach)

Laura Colon began her swimming career at the age of six months at a YWCA in Upstate New York. From a military family, Laura swam in pools around the world, most notability in South Korea and Hawaii. Her specialty was distance freestyle and any event that people complained about being "too hard" (like the 400 IM). She has been working in aquatics and with age group swimmers since 1999 and loves passing on her love of the water and swimming to the next generation.

Professionally, Laura has a degree in elementary education and middle school English. She holds her year 2 coaching certification with USA Swimming and is a deck coach with the Kansas City Blazers during the school year.

Brenna Gaul (Assistant Competitive Swim Coach)

Brenna has been swimming competitively since she was 6 years old, and was a state qualifier freshman through senior years of high school, placing in multiple events in state. The 50 and 100 events were her specialty, and participated in relays each year. She will be attending the University of Arkansas in the fall, majoring in nursing and minoring in Spanish.

Colette Balas (Assistant Pre-Competitive Swim Coach)

Colette has been swimming competitively for 11 years, 7 of those years for Lenexa. She is going to be a senior at Shawnee Mission West and has been a state qualifier the three years that she has swam for West. She swims primarily the 200 and 500 freestyle and participates in all of the relays. She also swam for the Olathe Cool, Olathe Tiger Sharks, and Swim Academy. She plans to swim again for her senior year.

Kacie Beebe (Assistant Pre-Competitive Swim Coach)

Kacie has been a competitive swimmer for 10 years, and loves the sport. She has swam on the high school team at Olathe Northwest for three years, and has participated as a member of the state team each year. Kacie was a pre-competitive coach for the Lazars in 2015, and is looking forward to coaching again this year. Her favorite strokes are the freestyle and breaststroke and she loves to help swimmers improve their techniques and develop a passion for the sport.

Connor Stewart (Assistant Pre-Competitive Swim Coach, Sub)

Dive Coaches:

Laura Quenette (Head Dive Coach)

CoachLauraQ@gmail.com

Laura Quenette has been coaching the sport of springboard diving for 9 years. Her coaching experience includes five seasons with the Johnson County Swim & Dive League (Olathe & Overland Park), two years with the Jayhawk Dive Club in Lawrence, two seasons as a summer class instructor for springboard diving for beginners in Olathe, and four years with Blue Valley West High School as the boys' and girls' diving coach. In her time with Blue Valley West, she has coached Kansas State Diving Champions. Laura also has experience as an athlete in the sport of diving. She was a gymnast who turned to diving after injury prevented her from high impact landing and she grew to love the sport, becoming the Kansas State Diving Champion in 2005 and 2006. This will be her third year as the Head Coach for the Lenexa Lazars Dive Team, and will also be a Pool Manager at Ad Astra Pool this year.

Brant Pitcairn (Assistant Dive Coach)

Before fully transitioning into the sport of diving as a junior in high school, Brant competed in gymnastics for eight years and dove with the Lenexa Lazars in the summer. Throughout his diving career, he has earned two league championship titles and recently became the 2016 Kansas state diving champion. Brant served as team captain his senior year and was the manager of the girl's diving team, where he also helped coach. Brant will be attending the University of Kansas in the fall of 2016 to pursue a degree in business.

Team Unify:

Team Unify is an online resource for team business and information. It will serve as your portal to the season, and will assist in scheduling and communicating with athletes, families and coaches. It will be used to sign your athlete up for meets and to sign up to help volunteer throughout the season. More communication will be sent as we approach the season, and details regarding Team Unify will be updated here as it is available.

General Information

Pre-Competitive Swim Program: Your swimmer must be between the ages of 7 and 13 years of age as of June 1 to be eligible to swim in this program. This program is not a substitute for swimming lessons. Your swimmer will be coached in stroke technique, but he or she should already have general knowledge of three strokes: Freestyle, Backstroke, and Breaststroke. Athletes should have completed swim lessons and be able to swim free-style competently for 25 yards with their face in the water, and without touching the bottom of the pool. Children will not be allowed to swim if they do not meet these requirements. Team participation does not replace swimming lessons; it is intended to teach competitive swimming strokes and prepare swimmers for the competitive team. Participation in this program is at the coaches' discretion. The first few practices will be used to evaluate your child's swimming ability. There are three placement possibilities (*please respect coaches' evaluation of your swimmer's skill level*):

- Promotion to the competitive team
- Remain on the pre-competitive team
- Request to transfer to swim lessons if unable to swim without assistance (*this will be done at the completion of the first week if applicable*)

Competitive Swim Program: The competitive team consists of swimmers between the ages of 9-18 years who are proficient at swimming the length of a 50-meter pool. Younger swimmers may be accepted upon the approval of the Head Coach.

Competitive Dive Program: Divers must be able to enter the water head first and need to perform three (3) competitive dives in order to compete in the league.

Age Groups/Eligibility: Placement in age groups will be determined as of June 1. Competitive swimmers are grouped according to the following: 9&U, 11&U, 13&U, 15&U, 18&U. Divers are grouped

the same as swimmers, but also include the 7&U age group. The Lenexa Lazers teams are open to any swimmer/diver who has not reached his/her 19th birthday before June 1.

Practice & Meet Attendance Policy: If your athlete is unable to attend practices during the week, he or she may not be able to participate in the meet that week. Please keep in mind that practice attendance plays a role in meet participation. If an athlete is unable to attend practice or a meet for any reason, please send an email to the appropriate coach. Please make sure your athlete has transportation to and from practices; although coaches are present slightly before and after scheduled practices, they have a schedule to maintain. Please make sure you arrive promptly to pick up your athlete and/or they are aware of how they are getting home.

Behavior Policy: The coaches will talk with the Lazers about appropriate behavior during practice and meets. If a swimmer or diver has received a verbal reprimand about inappropriate behavior, the coach will send a reflections page home and an email will be sent to the parent. We want the swim & dive team to be a safe and fun activity for everyone. If your child has received a reprimand, please review and sign the reflections page and discuss this with your child. Each athlete's behavior affects the entire team. The pool is closed to the general public during practice times; siblings, parents, friends, etc. are not permitted to utilize the pool during this time.

Mail Boxes: Every family will have a file in the blue file boxes. These mail boxes will be used to distribute ribbons after the swim and dive meets, along with any other important pieces of communication from coaches, parents, or administration.

Correspondence with Coaches: Due to the large number of athletes, please notify the coaches of any scheduling problems in writing, via email. Any conversation you wish to conduct with the coaches should be done at an arranged time or after practice is completed for the day, not during the scheduled practice or meet.

Inclement Weather: Do not leave your athlete at the pool without transportation if there is any question of threatening weather. Thunder and/or lightning will require the coaches to cancel practice; no exceptions. Please make plans to have your swimmer picked up immediately in the event of dangerous or bad weather.

Volunteers: If you have not already volunteered your time, please do so! The only way the Lenexa Lazer Swim and Dive Team can function is with the consistent help from parent volunteers. **NEW:** Please sign-up to volunteer through the Team Unify website; you will be able to register for jobs under each meet.

General Communication: There are several ways to receive information about the Lenexa Lazers:

1. On Facebook: Like us on Facebook. Join the Lenexa Lazers Swim and Dive Team (group)
2. Team Unify
